

MIKE DUMBAULD
Vice President, Finance

Mike Dumbauld joined 3CDC in 2016 as a financial analyst, where he was responsible for analyzing and assessing the financial performance of 3CDC's real estate assets, as well as assisting in the management of the 3CDC-managed capital funds.

In his current role as Vice President of Finance, Dumbauld leads a team that is responsible for managing the financial reporting and analysis of 3CDC's real estate assets and capital funds, 3CDC's Risk Management program, and ongoing compliance reporting to third-party lenders. Additionally, his team works directly with the Development team to structure, close and unwind financial transactions of development projects and with the Property Management team to better manage the financial performance of 3CDC's real estate assets.

Prior to joining 3CDC, Dumbauld spent six years working in commercial lending at multiple banks in the Cincinnati market. He received his Bachelor of Science in Business Administration with a specialty in Finance from Ohio State University.
